

# Add-On Feature Overview

To enhance your experience using MOMMS, additional features are available.

# Sticklogistics®

- A learning management system (LMS) powered by MOMS.
- Labs/Clients can upload training materials for MAPs to gain proficiency on the collection process for their tests/panels.
- \$500/month

**STICKLOGISTICS®**

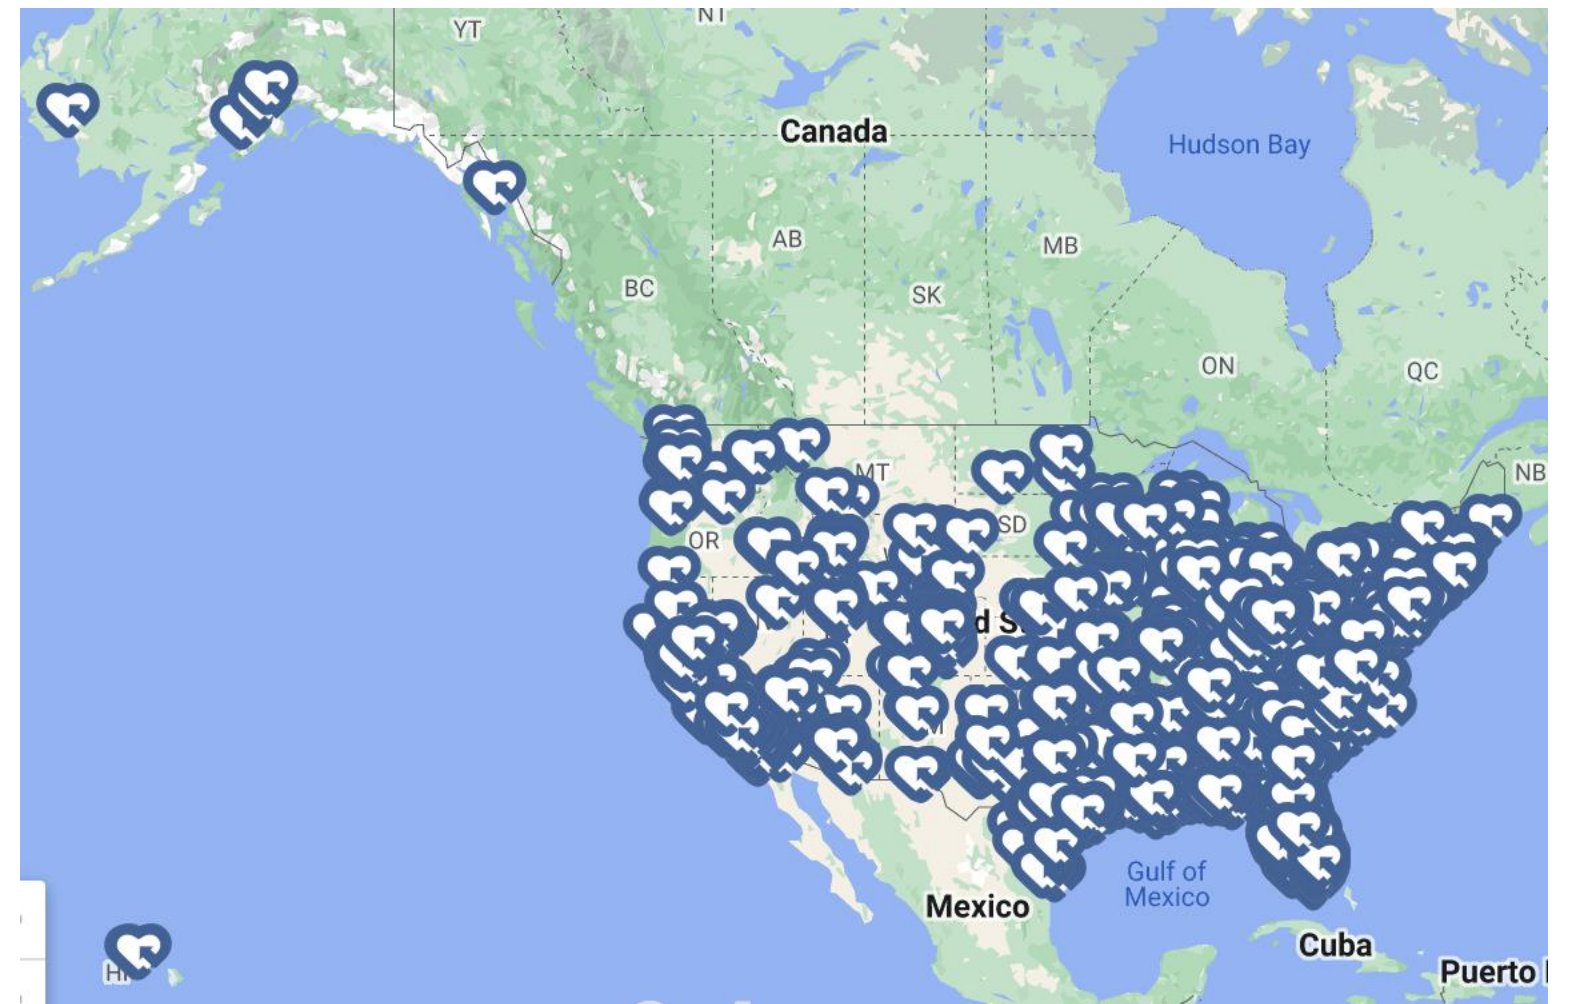

POWERED BY **MOMS®**

[More Information](#)

# Click-To-Schedule

- Provides tokenization of your MAP connections to populate on your website.
- Allows patients to click a MAP and begin the scheduling process.
- \$500/month

[More Information](#)

# Shipment Tracking

- Provides real-time updates as to when your Lab can expect to receive collected specimen.
- Both MAPs and Labs/Clients can enter tracking information from FedEx, UPS, DHL, etc.
- \$500/month

[More Information](#)

# Private Network

- For Labs/Clients currently utilizing in-office phlebotomy (IOP), the MOMS Private Network provides a compliant relationship with IOPs and allows Labs to bring the labor into one platform.
- \$1,500/month

# Total Cost

- These add-on features are optional for Labs/Clients on the MOMS platform.
- The cost for each feature is in addition to platform access fees.
- If opting into all add-on features, total reoccurring monthly cost for MOMS is \$3,999:
  - \$999/month – MOMS access
  - \$500/month – Sticklogistics™
  - \$500/month – Click to Schedule
  - \$500/month – Shipment Tracking
  - \$1,500/month – Private Network

Thank you.
