

Sales Development Representative Role

My One Medical Source® (MOMS) is a rapidly growing software-as-a-service (SaaS) healthcare solution that provides access to medical lab testing sites and specialists. MOMS connects those who need their blood drawn with the skilled labor that can perform phlebotomy and other lab collections. As a **Sales Development Representative** you will be helping facilities gain access to a new stream of potential patients and increase their revenue on services they already perform and labor they already have in place, all at no cost to them.
